# Join us for a Fall Soup Kitchen Experience!

Come join us for soup, salad and dessert. There will be a current update on the nearby proposed mine. But more importantly, join us for catching up with neighbors and friends, and maybe, making some new ones.

**TIME:** Sunday, Nov. 2, 2014 at 5:00 P.M. Early in, early out, ready to work the next day with some excellent food in your system.

**PLACE:** Ambulance House—Town Garage Road (off Route 16) in Hoags Corners.

**WHY:** To share the news of where we are in trying to keep our rural residential quality of life and to celebrate the cohesion of our neighborhood, while highlighting a decade of involvement in this “David and Goliath” battle. Actually, in December, it will be eleven years.

**Other Necessary Stuff:** \$10 per person suggested donation. Kids under 10 free. Parking in the lot across street from ambulance house. Do not block the ambulance bay, you know why, and do not park on the road, you also know why. Please don't turn around in the neighbor's driveway. Hope to see you there.
